

**OVER 25
YEARS OF
EXPERIENCE**

A Total Restraint Solution with Training

BUNDLE RIPP RESTRAINTS WITH TRAINING (EXCLUSIVE TRAINERS FOR RIPP)

TRAINING WILL

- **REDUCE LIABILITY**
- **COMPLAINTS**
- **INJURIES**

WHY?

Because our highly interactive/engaging training style teaches how to decide when to apply restraints, verbalization (before, during, & after), when to remove restraints, and debriefing.

IT'S NOT JUST ABOUT APPLYING RESTRAINTS, IT'S ABOUT TEN CRITICAL COMPONENTS NECESSARY AS PART OF THE RESTRAINT PROCESS:

- **Arrive**
- **Assess**
- **Alarm**
- **Evaluate**
- **Enter**
- **Stabilize**
- **Initial Medical Assessment**
- **Long Term Monitoring**
- **Communication**
- **Documentation/Debriefing**
